

Group No. 1 (FIRST PRESENTER)

Peer evaluations are a part of each student's project grade. Please complete this form and submit with your final report.

1. Using the scale below, evaluate your groupmates on their contributions to performing the research and developing the group project.

4	Excellent Contributor	The person significantly contributed. Without the person, the quality of our final product would have been considerably diminished.
3	Good Contributor	The person contributed. Without this person, the quality of our final product would have been diminished.
2	Marginal Contributor	The person barely contributed. Without this person, the quality of our final product would have been about the same.
1	Unsatisfactory Contributor	The person failed to contribute in any meaningful way. Other members of the group had to do more because of this person's performance. Without this person, the quality of our final product may actually have been improved.
Using the above codes, evaluate each team member (including yourself):		

Group Members	Contribution to Document	Contribution to Project
CATAHAN (MYSELF)	2	4
DIRECTO	4	4
EULIN	2	4
GABIJAN	2	4
HERMOSURA	4	4

2. Does each team member deserve the same project grade? Choose one. ☐ Yes ☒ No
3. If you have answered NO, who should receive higher grades and why?
Eulin, Gabijan, and Hermosura. They sacrificed their sleep and studies (review) in order to finish our project just the night before the retention exam/presentation.
